

### ADDENDUM #1

Date of Addendum: April 23, 2026

Page 1 of 2

#### 1.0 NOTICE TO ALL BIDDERS AND PLANHOLDERS

The Contract Documents for the above-referenced Project are modified as set forth in this Addendum. The original Contract Documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the Contract Documents. Bidder shall take this Addendum into consideration when preparing and submitting a bid, and shall acknowledge receipt of this Addendum in the space provided on the Bid Form.

#### 2.0 BID SUBMITTAL DEADLINE

The bid submittal deadline remains the same and is not changed by this Addendum.

#### 3.0 SPECIFICATIONS

| Item | Section No.                           | Description of Change                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

**END OF ADDENDUM #1**

## PART 1 - GENERAL

### 1.1 PROJECT DESCRIPTION

A. The Work of the Contract Documents can be summarized as follows:

The scope for work requires extending CAAMS security access and Emergency Classroom Lockdown Device (ECLD) operability to lecture halls and doors in Kane Hall. 67 doors in total will be impacted. Scope includes:

- 26 new hardwired CAAMS card readers
- 24 new wireless card reader locksets
- 22 existing ADA compliant auto door openers will be salvaged and reinstalled
- 22 new Emergency Classroom Lock down Devices (ECLD).

Salvage and reinstallation of existing brick, door trim, and wood panels to route conduits, raceways, back boxes, and cable pathways in a concealed manner; patching and painting existing Gypsum Wall Board ceilings as required to install access panels; concrete sawcutting, chipping, and patching to embed conduit & boxes within existing concrete wall; coring through existing concrete floors and walls with firestopping; minimal modifications to electrical power; additional network equipment and connections, internet/wireless connectivity and programming; and perforated suspended metal ceiling system with metal channel valance.

### 1.2 GENERAL INFORMATION

A. Title of Contract Documents:

1. University of Washington  
Kane Hall CAAMS Upgrades  
Project Number: 208570

B. Owner and A/E Defined:

1. Owner:  
University of Washington  
Project Delivery Group  
Seattle, Washington 98195-2205

Project Manager: Jennifer Reynolds  
E-mail: jenrey01@uw.edu  
Phone: 209-432-4146

Owner's Representative: The Owner shall designate, in writing, the Owner's Representative for this Project during construction.

2. A/E:  
SHKS Architects  
1050 North 38<sup>th</sup> St.  
Seattle, WA 98103

Representative: Sean Kelly  
E-mail: seank@shksarchitects.com  
Phone: 206-224-3388

3. The Owner, the A/E, and various consultants hereinafter or otherwise listed shall be given access to the Work insofar as their interests are concerned.

C. A/E's Sub-Consultants: The sub-consultants under contract with the A/E in preparation of the Contract Documents are:

1. Electrical Engineer:  
Hargis Engineers  
1201 Third Ave, Suite 600  
Seattle, WA

Representative: Patrick Shannon  
E-mail: shannon@haris.biz  
Phone: 206-436-0466

2. Cost Consultant:  
JMB Consulting Group LLC  
4320 29<sup>th</sup> Ave. W.  
Seattle, WA 98119

Representative: Patrick Shannon  
E-mail: shannon@haris.biz  
Phone: 206-708-7280

3. Security Integration:  
Pavion (RFI) Engineers  
800 SW 34<sup>th</sup> St. Suite D  
Renton, WA 98057

Representative: Patrick Shannon  
E-mail: shannon@haris.biz  
Phone: 253-981-6100

D. Owner's Consultants: The consultants under contract with the Owner in preparation of the Contract Documents are:

1. Regulated Materials:  
Terracon Consultants, Inc.  
21905 64<sup>th</sup> Ave W., Suite 10  
Mountlake Terrace, WA 98403

Representative: Christina Anderson  
E-mail: Christina.Anderson@terracon.com  
Phone: 426-771-3304

### 1.3 SPECIAL CONDITIONS

A. Description of special conditions of the Work:

1. Special haul routes for delivery:
  - a. Most deliveries should be made via the Kane Hall loading dock. If needed, deliveries can be made by parking along Spokane Lane or Pierce Lane; coordinate with the UW Project Construction Manager and Building Manager for delivery of materials not able to fit through the elevators.
2. Contractor parking requirements.
  - a. There are no parking spaces available for contractors within the loading dock. Contractors will need to utilize a paid lot in CPG, other pay to park lots on campus or find street parking nearby. Permits for lots W24 & W28 are available for purchase, coordinate with Owner's Construction Manager.

3. Noise restrictions
  - a. Loud work should be limited when events are in session to avoid disruptions caused by noise. Additionally, any loud work taking place in the Kane Hall basement offices should be avoided during operating hours of 8am to 5pm. Coordinate any loud work with the UW Construction Manager.
4. Special work access and hours of work restrictions
  - a. Work cannot be performed within the following rooms during listed times:
    - 1) 6/20-21: KNE 130
      - 8am to 9pm both days
    - 2) 7/13-7/17: KNO 120, KNE234
      - 7:30am to 7:30pm (end time varies by day, 7/15 ends at 1pm)
    - 3) 7/13-7/14: KNE 210, 220, 225 (WA)
      - 3pm to 7pm both days
    - 4) 8/21: KNE 130
      - 11am to 2:30pm
    - 5) 8/22: KNE 110, 120, 130
      - 11am to 5:30pm
    - 6) 8/29: KNE 110, 120, 130
      - 11:30 to 5pm
    - 7) 9/22: KNE 120
      - 2:45 to 5:30pm
    - 8) 9/23: KNE 130, 225
      - 225: 6:30am to 6pm
      - 130: 12:30pm to 5:30pm
    - 9) 9/24: KNE 130
      - 12:30pm to 10pm
    - 10) 9/25: KNE 130
      - 12:30pm to 5:30pm
  - b. Coordination with Owner required for Work within adjacent spaces during the above times as well.
